

Liturgical On-Line Resources for the Homebound

St. Elizabeth Seton Catholic Church understands that some of our parishioners are unable to attend Mass and other liturgical and prayer services. Those who are unable to be with us for these celebrations are still an important part of our parish life and family.

We encourage those who cannot be with us to utilize the resources available to fulfill their commitment to God and to praise and glorify Him for all He has given and done for us. Unfortunately, the Diocese is no longer able to provide live televised Mass on Sundays.

The Cathedral of St. John the Evangelist in Lafayette is one of several church parishes offering live streaming of Mass and other liturgical and prayer services. You can access the Cathedral through their website or Facebook to access these services. Below is a list of some of the opportunities to participate in worship and stay connected to our faith.
