

Dear Parishioners of St. Elizabeth Seton Catholic Church,

I would like to thank you so much for supporting our school Sts. Leo-Seton Catholic School throughout the years. In the last couple of years, we began collecting Community Coffee Coupons, old and used cell phones, and empty toner and ink cartridges from printers and copy machines. Through your generosity and commitment to saving these items for our school, we were able to purchase for our teachers and students items and equipment that we would not have otherwise been able to provide. On behalf of the administration, staff, faculty and most importantly our children, I want to express my sincere thanks for your support and to encourage you to continue to save these items for our school. There is a box in the “Welcome Area” of the church for you to place these items.

Blessings to all of you, Fr. David
