VERMILIONVILLE PERFORMANCE
Center
300 FISHER RD., LAFAYETTE

The Shawn & Lance Band, Shawn Carter and Lance Strother, have produced two CDs, *Tilt* and *Backdoor*, and describe themselves as a mixture of rock, blues, folk and Americana music that sings to the soul of every walk of life. They will bring their original songs to you with all the inspiration behind each of them.

The all-female band, **Sweet Cecilia**, is a Grammy nominated family trio from Cecilia, LA. Their music is deeply rooted in country, rock, folk, and Cajun influences. These three women are not only accomplished vocalists, but musicians and master songwriters. Sweet Cecilia was formally created in 2012. However, sisters Laura Huval and Maegan Berard, along with their first cousin, Callie Guidry, have been making music since childhood.

JB Saax & Friends, a gospel trio, will be sure to inject joy into the hearts of all with Jeremy Benoit on sax, Brittany Senegal Guy on vocals and her husband Michael Guy on keyboard & vocals.
