Please join Us!

Karlo Broussard, a native of Southern Louisiana, left a promising career in Cajun music to devote himself full-time to the work of Catholic apologetics. As a staff apologist for Catholic Answers, he travels the country giving talks on the Bible, theology, and philosophy.

Karlo is a dynamic speaker, and the clarity and precision of his presentations reflect his training in philosophy. The takeaway for his audiences is a deeper understanding and appreciation of the Faith. And whether his audience is a First Communion class, a youth group, a college or young adult group, or a parish gathering, Karlo engages people of all ages and levels of sophistication.

Let this Cajun apologist set the hearts of Catholics in your area on fire with a renewed understanding of their Faith and a joyful desire to share it with others. His topics for this Mission will be:

Monday, December 5: Your Truth, My Truth: How to Understand and Refute Relativistic Thinking

Tuesday, December 6: The Seven Sacraments: God's Saving Deeds Among Us

Wednesday, December 7: Living Life to the Fullest: A Compass for Human Happiness

A Stewardship Moment

First Sunday of Advent
November 26/27, 2022

On this first Sunday of Advent Jesus urges his disciples to stay awake and prepare themselves for the Lord's coming. Good stewards prepare themselves and await Christ's judgment in joyous expectation. This attitude requires genuine spiritual maturity, of course; the kind that is cultivated by prayer, participation in the sacraments, loving attention to family and one's communion of faith, and love for one's neighbor. Are we prepared for the Lord's second coming? Are we ready to receive Christ? Are we ready to look joyously for Christ's judgment?

Question of the Week

Who can I forgive this week, imitating the Lord's mercy, sowing the seeds of the kingdom, and bringing a sort of paradise to someone else's heart?

The aging adult population is growing in the U.S, and so is the need for appropriate housing. Assisted living communities are well equipped to help residents manage daily living activities, and they empower seniors to thrive, boosting their physical, mental, and social well-being.

Choosing the best facility, however, can be time-consuming and overwhelming for seniors and their loved ones. Our resources help aging adults and their families explore available communities, costs, and payment options.

You can view our resources here:

We believe they would be of tremendous value to seniors and their families in your community.

PRAYER FOR HURRICANE PROTECTION

O God, Master of this passing world, hear the humble voices of your children. The Sea of Galilee obeyed your order and returned to its former quietude. You are still the Master of land and sea. We live in the shadow of a danger over which we have no control. The Gulf, like a provoked and angry giant, can awaken from its seeming lethargy, overstep its conventional boundaries, invade our land and spread chaos and disaster.

During this hurricane season we turn to you, O Loving Father. Spare us from past tragedies whose memories are still so vivid and whose wounds seem to refuse to heal with the passing of time. O Virgin, Star of the Sea, Our Beloved Mother, we ask you to plead with your Son in our behalf, so that spared from the calamities common to this area and animated with a true spirit of gratitude, we will walk in the footsteps of your Divine Son to reach heavenly Jerusalem where a storm-less eternity awaits us.

Amen.

St. Elizabeth Seton Thoughts

Why not enjoy the interior cell with sweet peace and expectation, since He has arranged exterior things so evidently for that end?
