

Resurrection Easter Egg Hunt

Many thanks to all who attended and to all those who made this day possible. The Easter Egg Hunt on Sunday following the 10 am Mass was wonderful, and the kids had a blast!

We had a winner of one of the Easter Baskets and unfortunately, he had to leave before the winners were announced. I would appreciate it if anyone who may know Jaxon Welch's (8-10 years old) parents and let them know to contact the office to pick up his basket.

Blessings for a Glorious Resurrection and Easter Season.
