

# Congratulations Mr. Greg Landry

Greg Landry has been a parishioner of St. Elizabeth Seton for over 30 years and serves as an extraordinary minister of the Eucharist. After an extensive eight-week course of study and examination, he was recently commissioned as a Procurator of the Ecclesiastical Court of First Instance for the Diocese of Lafayette. In that capacity he is able to help individuals prepare petitions for a declaration of nullity and accompany them to the conclusion of their case.

He has been married to his wife Donna since 1985. They have two adult children who were also raised on our parish. Greg has been a licensed attorney for over 40 years, and recently retired as the CEO of a 100+ person non-profit law firm which provides free legal assistance in civil cases exclusively to those persons unable to afford counsel.
