

ST. ELIZABETH SETON GIVING TREE

Each year we purchase gifts for the residents at Courtyard Manor Nursing Home, homebound and for the poor in our community. So often, our elderly, homebound and the poor are forgotten and left to fend for themselves. We provide services to the residents at Courtyard Manor Nursing Home and have a ministry to the homebound who are often in need of daily necessities to survive.

Please consider taking a gift tag from our Giving Tree and provide joy to someone in need of our love. Return gifts to the church by Sunday, December 8.

As always, THANK YOU for your generosity!
